Past Productions

SEPTEMBER

"Monologues & Munchies".

Don Mathew's monologues, "8€An Hour" performed by Liz Atkinson and "Mrs. Barrington-Jones" performed by Jon Kay were a great success.

For the Liberty Gardens we had record attendance with even the bar stools and lounge chairs all ferried into use into the garden.

The comments about the quality of the monologues and their performance were highly complimentary.

Don's success has not yet gone to his head & he's working on new literary jewels!

See you all at the BBQ

Regards

Diane
